A busy street market in Nepal. In the center, a large, overflowing metal cart is filled with various types of waste, including plastic bags, paper, and other debris. The cart is surrounded by a large pile of garbage on the ground. Several people are gathered around the cart, some appearing to be sorting through the waste. In the background, there are shops with colorful clothing hanging from racks. The street is crowded with people, and the overall scene depicts a busy, cluttered urban environment.

Kathmandu ist mobil

Wagen, Karren, Fahrrad mit Aufsatz und Anhang, Motorrad, Tuk-Tuk, Autobus und LKW, Rikschas und Dreiräder befahren die Straßen und nehmen entsprechend Platz ein. Sie befördern Menschen, Waren, Obst und Gemüse, Feuerwehrschräume, Müll und vieles mehr. Aber es gibt auch die traditionellen Träger, die übergroße Pakete mit Bändern an der Stirn befestigen und unfassbare Gewichte schleppen.

Kathmandu è mobile

Carretti, carrettini, biciclette con accessori, motociclette, tuk-tuk, autobus e camion, risciò e tricicli circolano per le strade occupando spazio, spesso in concorrenza fra loro. Trasportano persone, merci, frutta e verdura, manichette antincendio, rifiuti e molto altro. Ma ci sono anche i tradizionali facchini, cioè portatori, che si legano alla fronte con delle cinghie i pacchi più grandi e trasportano pesi incredibili.

Kathmandu is mobile

Cars, carts, bicycles with attachments, motorbikes, tuk-tuks, buses and trucks, rickshaws and tricycles ply the streets and take up space accordingly. They carry people, goods, fruit and vegetables, fire hoses, rubbish and much more. But there are also the traditional porters, who fasten oversized parcels to their foreheads with straps and carry incredible weights.
