

Activity Report 2024

Dear members, friends of ProNepal!

Another exciting and intense year lies behind us and thanks to your loyalty and support, we have once again been able to implement numerous projects for the benefit of the Nepalese population.

The following review provides information about the activities of the ProNepal association in the past year. For detailed information on individual projects with corresponding pictures and videos, please visit our website:

www.pronepal.org.

Now to the projects and relief efforts that were implemented in cooperation with our Nepalese partners:

- Those affected by the flood disaster in the Kathmandu Valley received emergency aid, which was quickly implemented through our appeal for donations and the good organisation of our partner SEO. `
- At two schools near Sanga, school meals were provided for 165 children (Tiffin programme SEO). `
- At the school in Saimarang, 95 schoolchildren again received a warm meal every day thanks to our support. «
- The rent was paid for the knitting project that has been running since 2019. «
- All twelve children/young people at the Sahayogi home were supported by our sponsors.
- A total of 55 children receive support through our sponsorship programme, which, among other things, gives them access to a solid education.
- Together with the association Amici trentini, the rent for the Sahayogi home was paid. The student Sulav is able to benefit from a course at a high school of applied sciences thanks to the support of his sponsor. The hospitalisation and subsequent rehabilitation of the unfortunate Sulav was made possible by donations from our association.
- And last but not least, our drinking water project in Majuwa: The project application was submitted to the Provincial Office for External Relations and Voluntary Work on time and partial funding was granted. After some delays in the awarding of the work, the foundation stone was laid on 19

February 2025 as part of a ceremony. This project will provide around 100 households and 550 people with access to clean drinking water.

Now to the activities carried out in South Tyrol:

- On 29 September, the 20th anniversary of our association was celebrated at the Fragsburg - an all-round successful celebration and certainly the highlight of our association's year.
- 12 flea markets and a Christmas market were held in Meran to collect donations. We would like to take this opportunity to thank all our hard-working helpers once again.
- In addition, a desk calendar with Nepalese motifs was designed and sold at various events.
- Thanks to these various activities, we have been able to attract several new members, which is why the current membership stands at 82.
- Twice during the year, a report about our association appeared in the Alto Adige.
- 'In September (and again in October) there was an interview about our association on RAI South Tyrol, and the program 'Das Frühstücksradio am Feiertag' on 9 December was dedicated entirely to our association.'

During the year, several board meetings were held, as well as the annual general meeting in April. The association's website was constantly maintained and updated, and our association is also present in social media. The newsletter was created and sent five times to keep members and friends up to date. In particular, the Christmas letter with the appeal for donations was well received and brought the association encouraging donations, for which we thank you very much.

Merano, March 2025
